

conclusion

“And the men that held Jesus mocked him. And when they had blindfolded him, they struck him on the face, and asked him, saying, ‘Prophesy, who is it that smote thee?’”^[1]

Surely we know who smote and crucified Jesus. Just as we know who delivered Him up for execution. Yet the Body of Christ has been blindfolded and effectually kept in the dark as to who mocked, smote and exterminated his disciples and prophets through the Church Age. By doing those things to his Body, the enemy did those things to Christ. Christ had warned St. John that severe persecution was coming in the person of a Beast, his false prophet who appeared as a lamb but spoke as a dragon, and his false church, a filthy whore, not a virgin bride. Christ had warned St. Paul that a man would arise out of the midst of the splintered Roman Empire. A Man of Sin who would think to rob God of His glory by demanding obedience and worship. Daniel was shown the Antichrist as a little horn, a bishop, prophet, and king who ruled the smallest nation on earth, but who was voracious like the Roman Beast he was descended from, exuding power way beyond his stature.

We have explained that the number of this Beast is 666, derived from adding up the numerical values of the Greek name: *Lateinos* or Latin Man, symbolizing the bishop of Rome who is Head of the Western Latin Roman Christian Church. He is the 'Head' of the Serpent, the one the Lord promised would be bruised. We know he is from Rome because that is the location of the city of seven hills upon which the Whore of Rev. 17 sits, and the same location of the Beast who carries her. If the Pope is Latin Man, we would expect the Latin language to play a predominant role in his liturgy and ministry. Need we remind the reader that Latin played no role in the original Old Testament or New Testament languages? Certainly, the New Testament could have been written in Latin, and not Greek. But the Lord did not will that to happen for a very good reason. Latin was to be the ecclesiastical language of Antichrist and his Church:

"The gradual Latinization of the West, begun in the 2nd century, led to a gradual Latinization of the liturgy. This development terminated in the 4th century, when the Eucharistic liturgy of Rome was definitively Latinized."^[2]

"[Vatican City's] official language is Italian, but that of the Holy See is Latin."^[3]

The reader has seen that the papal *bullae* are all written in the Latin language, the ecclesiastical language of Latin Man.

**LATIN MAN AND HIS LATIN CHRISTIAN CHURCH DECLARE THE LATIN VULGATE BIBLE
THE ONLY *AUTHENTIC* BIBLE TO BE USED AND *DARED NOT BE REJECTED***

THE EDITION AND USE OF THE SACRED BOOKS.

"Moreover, the same most holy council [of Trent], considering that no small advantage will accrue to the church of God, if of all the Latin editions of the Sacred Book which are in circulation, some one shall be distinguished [i.e., 'marked'] as that which ought to be regarded as authentic - doth ordain and declare, that the same old and Vulgate edition, which has been approved by its use in the church for so many ages, shall be held as authentic, in all public lectures, disputations, sermons, and expositions; and that no one shall dare or presume to reject it, under any pretence whatsoever." [4]

Additionally, Trent decreed that no other version of the Scriptures were allowed to be printed without their express approval, which may be interpreted as absolute censorship disallowing competing translations. This 'Holy' council was invoked seven years after the 'heresiarch', William Tyndale, was strangled and burned for daring to give the English-speaking world a translation of the Greek New Testament manuscripts into the vernacular.

ADAM GIVEN AUTHORITY

HE NAMES EVERYTHING ACCORDING TO HIS GOOD PLEASURE, PROVING LORDSHIP

In Genesis 2:19-23 we find that *out of the ground the Lord God formed every beast of the field, and every fowl of the air; and brought them unto Adam to see what he would call them: and whatsoever Adam called every living creature, that was the name thereof. And Adam gave names to all cattle, and to the fowl of the air, and to every beast of the field. And Adam said, This is now bone of my bones, and flesh of my flesh; she shall be called Woman, because she was taken out of Man. "*

As ruler of God's creation, Adam was invested with the authority to name every living creature that moved, including the female human. In Genesis 3:20, we learn *Adam called his wife's name Eve.*

**JESUS RE-NAMES SIMON AND SAUL ACCORDING TO HIS GOOD PLEASURE,
PROVING LORDSHIP OVER THEM**

In Matthew 16:17-18, we are told that Jesus Christ re-names Simon Bar-jonah: *Blessed art thou, Simon Bar-jonah. And I say also unto thee, That thou art Peter. "*

In Acts 9:4, Jesus appears to Saul of Tarsus, calling him by his birth name: *Saul, Saul, why persecutest thou me?* The Holy Spirit also calls him *Saul*, according to Acts 13:2. Yet in verse 9 of the same chapter, we find that Saul is also called *Paul*. Additionally, from verse 13 onward,

Saul is no longer called Saul, but is now called Paul exclusively.

Rev. 2: 17 speaks of *a new name* which Jesus will give certain overcomers, written in a white stone.

**JESUS THE KING OF THE SAINTS IN THE KINGDOM OF HEAVEN
SATAN THE KING OF THE BEAST AND FALSE CHURCH WHOSE KINGDOM IS EARTH**

Let us reiterate what we have just demonstrated. God names Adam, when interpreted means 'human being.' Adam has been given authority - dominion - so he names everything. When we become parents, we name our children - they do not name themselves. We, as parents, have authority over them, not vice-versa. Adam lost his authority over creation through his sin. Satan became his Master, and the Master over all creation, when Adam disobeyed God and chose to obey Satan. By all rights, therefore, Satan should have the authority to re-name everything according to his wicked pleasure, as the new lord, ruler and god of this world.

Jesus proves His Lordship over Simon Bar-jonah by re-naming him Peter. Jesus re-names Saul as Paul. The Lord promises overcomers new names. Is the reader understanding the relationship between the one named and the one doing the naming? The one who gives the name is the lord and master. The one receiving the name is the servant and bondsman of that lord and master.

If the pope is the vicar of Satan, his bond servant doing his master's will as Antichrist, we should expect his Lord, Satan, to re-name him in that capacity. And because the name of the Beast is *Lateinos* - whose number is 666 - we should expect the new name to be in Latin, the ecclesiastical language of the Dragon, the Beast, the false prophet and Mystery Babylon. Such is the case. (See PLATE 20). The Polish Cardinal, Karol Wojtyla, was re-named by Satan, his master. His new name became the Latin, Joannes Paulus II.: John Paul II. This is true for every pope elected to office. His name will be changed to a completely different Latin name.

Does this incredible 'coincidence' further shed light on the identity of Antichrist, Latin Man? Yet, consider this. God named Adam, Adam named Eve. Satan has re-named the human species, consisting of man and woman, in the Latin language: *Homo sapiens*, meaning *wise man, man of wisdom, man full of knowledge*. Adam and Eve had eaten from the Tree of Knowledge, in obedience to Satan, so that their descendants have all been re-named, in Latin, *Homo sapiens*, to attest to that fact. Satan, every man's master before any man becomes a new creature in Christ, has a predestinated fondness for Latin and has re-named literally everything in that language, including animals, plants and minerals. For example:

ADAM'S ORIGINAL NAME:	SATAN'S NEW LATIN NAME:
1. LION	1. <i>Panthera leo</i>
2. BEAR	2. <i>Ursus arctos</i>
3. LEOPARD	3. <i>Panthera pardus</i>
4. LOCUST	4. <i>Schistocerca gregaria</i>
5. SCORPION	5. <i>Buthus occitanus</i>
6. SYPHILIS	6. <i>Treponema pallidum</i>
7. APPLE	7. <i>Malus pumila</i>
8. DOVE	8. <i>Streptopelia turtur</i>
9. EAGLE	9. <i>Aquila chrysaetos</i>
10. CHIMPANZEE	10. <i>Pan troglodytes</i>

The skeptic need reflect on the impossibility of all the 'coincidences' proved in this book. Satan is the god of this world, re-naming everything in Latin. Antichrist, Satan's vicar, uses Latin as his ecclesiastical language. Antichrist, the Beast, has also the name, Latin Man: Man From Latium, Rome, which adds up to 666, according to the value of the Greek letters.

But the Good News is that Jesus Christ will re-name each repentant sinner, having placed His seal of ownership on their forehead. He promises eternal life to those who place their trust in Him alone by faith. He is merciful to those who ask for His mercy, and gracious to those who ask for His grace. It is the sincere desire and prayer of this author that all who read this book will be blessed by the truths contained herein and that they will be quickened to the reader's spirit.

May the grace and goodness of our Lord Jesus be with you all. Even so, come quickly, Lord. Amen.
