

## **PART 9**

### **SDA All-Consuming Fear of Sabbath-Breaking**

#### **National Sunday Law – A Perceived Threat and Conspiracy Ideation Shared by All Adventists**

“It will be declared that the nation [America] is offending God by the violation of the Sunday-Sabbath.....Those who honor the Bible Sabbath [Saturday] will be denounced as enemies of law and order, as breaking down the moral restraints of society, causing anarchy and corruption.....Through the two great errors, the immortality of the soul and Sunday sacredness, Satan will bring the people under his deceptions.....The movement for Sunday enforcement becomes more bold and decided. The law is invoked against commandment-keepers.....As the defenders of truth refuse to honor the Sunday-Sabbath, some of them will be thrust into prison, some will be exiled, some will be treated as slaves..... In the last conflict the Sabbath will be the special point of controversy throughout all Christendom. Secular rulers and religious leaders will unite to enforce the observance of the Sunday.... a decree will finally be issued denouncing them as deserving of the severest punishment.....death” (The Great Controversy by Ellen White, p. 358 ff.)

According to a deep-seated, core belief of Adventists, all Sunday worshippers are, in actuality, worshipping Satan. Soon, ever so soon, seemingly sweet, humble, compassionate

Sunday-Sabbath Christians will turn into vile, depraved, blood-lusting servants of Satan, seeking out and destroying Saturday Sabbath-keepers. Secular atheists will even join in the fun, as they take delight in shredding the Constitution and Bill of Rights. Think of it as an Adventist version of 'The Purge.'

Rather than submit to Sunday worship, the strongest among the Adventist remnant will prefer death to deliverance.

“The same trials were experienced by men of God in ages past. Wycliffe, Huss, Luther, Tyndale, Baxter, Wesley, urged that all doctrines be brought to the test of the Bible, and declared they would renounce everything which it condemned. Against these men, persecution raged with relentless fury; yet they ceased not to declare the truth..... the people of God must soon seal their testimony with their blood, as did the martyrs before them” (ibid. pp. 377 & 393).

White and SDAs would conflate their yet-to-be-martyred Saturday-Sabbath soldiers with the character, martyrdom and doctrines of some of the greatest Reformers, all of whom would have gladly renounced and exposed the lies and misrepresentations of the SDA church.

Other Sabbatarians, we are told, will flee to escape the punishments which await them.

“The people of God will then flee from the cities and villages, and associate together in companies, dwelling in the most

desolate and solitary places. Many will find refuge in the strongholds of the mountains” (ibid. p. 392).

This is evidenced today by those who prepare for the soon enactment of the National Sunday Law. They are known as Doomsday Preppers.

I would imagine all Adventist apologists and their cohorts have stockpiled all the supplies needed to sustain them in their wilderness hideout.....the location of which will remain secret to all but an elite inner circle of loyal Adventist preppers. No way in Hell will Hobie ever be a slave of some Sunday-worshipping Satanists!

The choice one makes during this *time of trouble* determines whether one lives with Christ forever or is to be annihilated.

“The Sabbath will be the great test of loyalty; for it is the point of truth especially controverted..... the time of trouble is a fearful ordeal for God’s people.....the fire that consumes the wicked purifies the earth....no eternally burning hell.... Too late they see that the Sabbath of the fourth commandment is the seal of the living God. Too late they see the truth of their spurious Sabbath” (ibid. pp. 374, 395, 402, 429).

NEXT: An unfounded fear which never had a shred of credibility.
